Currently Certified Asbestos Project Designers

AS OF 3/15/2018

List Ordered by Last Name

Certification as an Asbestos Project Designer authorizes the consultant to design Asbestos Response Actions through preparation of job specifications, bidding documents, architectural drawings and schematic representations of material locations. Except as mandated by AHERA for Asbestos Response Actions conducted in school facilities, the preparation of asbestos project designs is not required by 453 CMR 6.00. Where asbestos project designs are prepared, such preparation must only be performed by persons certified as Asbestos Project Designers pursuant to 453 CMR 6.07.

The Licensed Asbestos Project Designers listed below are those who have agreed to have their information distributed. It is not a comprehensive list of all Licensed Asbestos Project Designers in Massachusetts.

The certification information of the above-listed Asbestos Project Designers is updated monthly. While most project designers renew their certification on or before the expiration date of the certification, DLS recommends that you call our office at (617) 626-6960 to verify a project designer's certification status prior to engaging a project designer.
